**STORY BEHIND THE SAI VRAT POOJA :**

A pious lady named Kokila and her husband Mahesh were living in a city. They had great affection towards each other. But Mahesh's nature was quarrelsome and had little control over his speech and talking. Neighbors were irritated by his nature. But Kokila was a pious religious lady. She had immense faith in God and coped up all troubles patiently.

Slowly her husband's business went through a rough weather and income was almost nil. Mahesh started staying in house the entire day and his quarrelsome nature worsened. One afternoon, an aged saint came and stood at the entrance of their home. His face shone with a unique luster. He asked for rice and pulses. The saint blessed her 'Sai will bless you with happiness'. Kokila replied in frustration that happiness is not in her destiny and narrated him, her entire sorrowful story.

The Saint advised her to observe Sai Baba's vrat for 9 Thursdays by having fruits, liquids or by taking food only once on Thursday. If possible to visit Shirdi Baba's Mandir, perform worship at home, complete the vrat with due formalities on 9th Thursday by feeding the poor, distribute Sai Vrat books to 5, 11 or 21 persons according to the devotee's capacity and thus spread the power of Sai Vrat. This has miraculous effects and is best suited for this kaliyug. It fulfills the innermost wishes of a devotee. But the devotee should have immense faith and devotion towards Sai Baba. Whoever observes this Vrat with due formalities, all his desires will be fulfilled by Baba.

Kokila also took a vow to observe 9 Thursdays vrat and she completed it with all formalities like feeding the poor, distribution of Sai vrat books on 9th Thursday.

The troubles in their house vanished and they were filled with peace and happiness.

As Ramesh's quarrelsome nature also changed for good, his business also picked up, and they prospered and started living happily. One day Kokila's brother in law and his wife came from Surat and amidst conversation, they told sadly that their children are not studying well and they failed in their examination. Kokila explained to them the power of 9 Thursdays Sai Vrat and she told them that devotion to Sai will enable their children to study well. But faith and patience are very important.

Kokila's sister in law wanted the details about the vrat.

Kokila told her to observe the fast by taking fruits, liquids or have food only once on all 9 Thursdays. Have darshan of Sai in a nearby Sai Mandir on all 9 Thursdays.

1. This Vrat can be observed by any man, woman or child, by persons of any caste or religion.
2. Perform Puja to Sai's photo, offer yellow flowers or garlands, light the lamp, incense sticks and offer naivedya and partake the Prasad with everyone.
3. Read Sai Vrat story, Sai Bhavani, Sai Chalisa, etc., the full book respectively.
4. Feed 5 persons on 9th Thursday
5. Distribute Sai vrat books (5, 11 or 21) to neighbours, friends or relatives and other known persons.

After some days, Kokila received a letter from her sister-in-law from Surat stating that her children have started doing the Sai vrat and they have started studying well and she has also observed the vrat and distributed sai vrat books at her office. Regarding this, she had written that her friend Charu's daughter's marriage was fixed with a good suitable alliance because of this vrat and one of her neighbour's jewel box had got lost and after observing Sai vrat, 2 months later she got back her jewel box (sender being unknown). Such wonderful experiences she had narrated in her letter. Kokila realized the power of Sainath and sai vrat and her devotion towards Sainath strengthened. Oh! Sai! Please bless us and confer us with happiness

## LIFE LESSONS WITH BABA

**"If a man remembers My name with love, I shall fulfill all his wishes and increase his devotion.**

**And if he sings earnestly My life and My deeds, him I shall beset on all sides. Those devotees who are attached to Me, heart and soul, will naturally feel happy when they hear these stories. Believe Me, if anybody sings My Leelas, I will give him infinite joy and everlasting contentment. It is My special characteristic to free any person who surrenders completely to Me, worships Me faithfully, remembers Me and meditates on Me constantly. I shall save my devotees from the jaws of death. If My stories are listened to, all diseases will be gotten rid of. Hear My stories with respect and think about them, meditate on them and assimilate them. This is the way to happiness and contentment.**

**The pride and egoism of My devotees will vanish, the mind of the listeners will be set at ease and if you have wholehearted and complete faith, you will be one with the Supreme Consciousness. The simple remembrance of the name "Sai" will do away with sins of speech and hearing".**

**- Chapter III. Sai Sat Charitha**

**If anyone prostrates before Sai and surrenders heart and soul to Him, then all the chief, objects of life- Dharma (righteousness), Artha (wealth), Kama (Desire) and Moksha (Deliverance)- are easily attained.**

**-Chapter VI. Sai Sat Charitha**

**Make Me the sole object of your thoughts and actions and you will no doubt attain Paramartha (the spiritual goal of life).**

**Look at Me whole heartedly and I in turn look at you. Sitting here, I speak the truth and nothing but the truth.**

**No Sadhanas or proficiency in the six Shastras are necessary. Have faith and confidence in your Guru.**

**Believe fully that the Guru is the sole Actor or Doer. Blessed is he who knows the greatness of his Guru and thinks him to be Hari, Hara and Brahma (Trimurti) Incarnate.**

**Unless there is some relationship or connection, nobody goes anywhere. If any men or creatures come to you, do not discourteously drive them away. But receive them well and treat them with due respect. God will certainly be pleased if you give water to the thirsty, bread to the hungry, clothes to the naked and give strangers a place to rest.**

**It is on account of a past relationship that we have come together, thus let us love and serve each other and be happy**

**If any devotee meditated on Him day and night, with complete self-surrender, he experienced union with Him.**

**He who wants to get rid of the cycle of births and deaths, should lead a righteous life with his mind calm and composed.**

**He should always engage himself in good actions, should do his duties and surrender himself, heart and soul, to Baba.**

**He need not then be afraid of anything. He who trusts Baba wholeheartedly, hears and expounds His Leelas and does not think of anything else, is sure to attain Self-realization**

**- Chapter XVIII & XIX. Sai Sat Charitha**
